# MEDIA KIT

*DISRUPTIVE.*  
*CHALLENGING.*  
*ACTIONABLE.*

# **SPEAKING. INTERVIEWS. MEDIA. MENTORING.**

If you want vanilla happy-clappy or rah-rah speeches, churning out re-hashed material Rob is not for you.

If you want scripted lectern/powerpoint talks, hire a politician.

But if you want your thought processes & comfort/conformity challenged, a direct, #nofilter style but with practical and contrarian tactics on the following subjects, Rob is the speaker you've been waiting your whole life for.

Rob NEVER does the same speech twice & tailors the talk to your audience without compromising on his style.

No slides. No script.
